The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. If a discrepancy exists between this SBC and the plan provisions, the plan provisions govern.

This is only a summary. Important Questions	Answers		Why This Matters:
	IN-NETWORK	OUT-OF-NETWORK	
What is the overall deductible?	**$850/Individual** **$2,550/Family**	**$3,000/Individual** **$9,000/Family**	Except for preventive services and copayments, each member must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each member's deductible applies toward the family deductible. Once the family deductible is met, the plan will begin to pay for those members who have not reached their individual deductibles.
Are there services covered before you meet your deductible?	**YES**	**NO**	This plan covers certain preventive services without cost-sharing and before you meet your deductible. Covered preventive services are listed at https://www.healthcare.gov/coverage/preventive-care-benefits/. In-network preventive care, prescriptions and outpatient behavioral health / substance abuse are not subject to deductible / coinsurance. Out-of-network preventive care, prescriptions and outpatient behavioral health / substance abuse are subject to deductible / coinsurance.
Are there other deductibles for specific services?	**NO**	**NO**	There are no other deductibles for specific services.
What is the out-of-pocket limit for this plan?	**$2,850/Individual** **$7,550/Family** (includes deductible)	**$9,000/Individual** **$24,000/Family** (includes deductible)	The out-of-pocket limit is the most you could pay in a year for covered services. Deductible, copayment, and coinsurance amounts DO count toward your out-of-pocket limit. In families of 3 or more members, if family out-of-pocket limit is met cumulatively, expenses are payable at 100% for all family members even if the individual out-of-pocket limits haven't been met by each member.
What is not included in the out-of-pocket limit?	Contributions, balance-billing charges, penalties for non-compliance, and excluded expenses this plan does not cover.		Even though you pay for these expenses, they DO NOT count toward your out-of-pocket limit.
Will you pay less if you use a network provider?	**YES**		This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, as you may receive a bill from the provider for the difference between the provider's charge and what your plan pays (balance billing). You can access in-network provider listings by visiting my.aa.com and click on your respective network/claim administrator, or call 1-877-235-9258 (Blue Cross Blue Shield of Texas) OR 1-800-826-9781 (UMR).
Do you need a referral to see a specialist?	**NO**		You can see the specialist you choose without a referral.

*For more information about limitations and exceptions, see the plan document and SPD at my.aa.com.

All coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
