Re: Economic Extension Ballot Email Update:

Local 591 Brothers and Sisters:

Your Local 591 Negotiation Committee Members have been informed by the TWU International that arrangements needed to be adjusted with the BallotPoint Election Services company regarding when the email ballot notifications will be sent to your email accounts. Those electronic ballot packets will not be sent out in advance of the balloting, as was previously relayed to us and to you.

The Economic Extension email ballot notification election packets will be sent from BallotPoint Election Services to your individual @aa.com email addresses on Friday, October 25th, 2024, which is also the date when the balloting opens.

As a reminder, as previously posted by the Association, the electronic balloting window for voting on the Economic Extension will start on Friday October 25th, 2024 at 12:00 (noon) Central Time, and will end on Tuesday October 29th, 2024 at 12:00 (noon) Central Time.

Fraternally,

Your TWU Local 591 Negotiation Committee Members
